Industrial Enterprises Act 2076

औद्योगिक व्यवसाय ऐन, २०७६

By CA Govinda Tamang

With latest amendment

INDUSTRIAL ENTERPRISES ACT, 2076

AN ACT RELATING TO INDUSTRIAL ENTERPRISES IN NEPAL

ENACTED AS
ACT NO. 19 OF THE YEAR 2076

DATE OF PUBLICATION
2076.10.28 (10 February 2020)
Published in Nepal Gazette

PURPOSE

To create an investment-friendly and competitive industrial environment, promote the production of industrial goods or services and generate employment opportunities by utilizing the country's available resources to their maximum potential, focusing on import substitution and export promotion; and to ensure the easy, predictable and effective management of the industrial sector for the development of a dynamic and strong economy by amending and consolidating existing laws related to industrial enterprises.

AMENDMENT HISTORY

01 Act to Amend Certain Nepal Acts Relating to Investment Facilitation

ENACTED ON
2081.03.24
(6 July 2024)

02 Act to Amend Certain Nepal Acts Relating to Improvement of Economic and Business Environment and Promotion of Investment

ENACTED ON
2081.12.18
(2 April 2025)

ENACTED AS
ACT NO. 19 OF THE YEAR 2076

DATE OF PUBLICATION
2076.10.28 (10 February 2020)
Published in Nepal Gazette

Promulgated by the Federal Parliament of Nepal to strengthen the foundation for sustainable industrial growth and prosperity.

KEY FOCUS AREAS

PROMOTE INVESTMENT
Create a conducive and predictable environment for investment

BOOST PRODUCTION
Enhance production of industrial goods and services

GENERATE EMPLOYMENT
Increase employment opportunities through industrial development

SUBSTITUTE IMPORTS
Reduce dependence on imports through local production

PROMOTE EXPORTS
Encourage export of competitive industrial products

EFFECTIVE MANAGEMENT
Ensure easy, predictable and effective management of the industrial sector

Building a dynamic, competitive and self-reliant industrial sector for a prosperous Nepal.

Chapter 1
Preliminary

Section 1 : Short Title and Commencement
Section 2 : Definition

Chapter-2 Provisions Relating to Registration and Regulation of Industries

Section 3: Industry to be registered
Section 4: Provisions relating to registration of industries
Section 5: Industry registration certificate to be given
Section 6: Complaint
Section 7: Adverse effects on environment to be mitigated
Section 8: Permission to be obtained
Section 9: Information of commencement of operation, commercial production or transaction of industry to be given
Section 10: Monitoring and inspection to be made
Section 11: Approval to be obtained for change of location of industry
Section12: Approval required to increase capital, capacity and add or change objectives of industry
Section 13: Details to be submitted
Section 14: Information of closure of industry to be given
Section 15: Application for cancellation of registration of industry
Section 16: Records to be managed

SECTION 3: INDUSTRY TO BE REGISTERED

MANDATORY REGISTRATION

No person shall establish, operate, or cause to be operated any industry without registration under this Act.

UNREGISTERED EXISTING INDUSTRIES (SUB-SECTION 1A)

Industries established and operated before commencement of this provision but not registered must:

- Apply for registration within 1 year from commencement of this sub-section.
- Registration authority shall register such industry after imposing fine equivalent to

Fine under s.43(1) (by class: Rs 5,000 micro/cottage, Rs 25,000 small, Rs 50,000 medium, Rs 1,00,000 large)

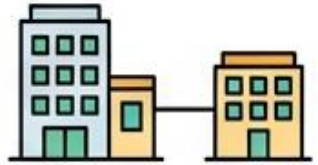

EXISTING REGISTERED INDUSTRIES

Industries already registered under prevailing industrial laws before commencement of this Act do not require re-registration.

BRANCH INDUSTRY REGISTRATION

Branch industries established before commencement of this Act must be registered as separate industries within 1 year.

OR

If products are produced at another location and separate registration is not obtained, it may operate as a unit industry.

UNIT INDUSTRIES

Unit industries must follow all procedures applicable to new industries except registration.

Unit must maintain production and transaction records and submit them to the main office.

'SECTION 4: PROVISIONS RELATING TO REGISTRATION OF INDUSTRIES'

1 INDUSTRIES REQUIRING DEPARTMENT REGISTRATION [Section 4(1)]

Application shall be submitted to the Department for:

(a) Industries requiring permission under Schedule 1
(b) Industries established with foreign investment
(c) Industries related to matters under Schedule 5 of Constitution of Nepal
(d) Industries failing under jurisdiction of two or more Provinces
(e) Academic consultancy services related to diplomatic affairs
(f) Large industries

2 PROVINCIAL REGISTRATION AUTHORITY [Section 4(2)]

Provincial Government shall administer:

- Registration
- Renewal
- Regulation

of industries other than those covered under Section 4(1).

Permission must be obtained for industries requiring permission.

3 FEDERAL AUTHORITY UNTIL PROVINCIAL LAWS [Section 4(3)]

Until Provincial Governments enact laws, the Federation shall continue administration of industries requiring provincial registration, including:

- Registration
- Renewal
- Regulation

4 INDUSTRIES OPERATED ONLY BY GOVERNMENT OF NEPAL [Section 4(4)]

Only the Government of Nepal may establish and operate industries related to:

- Atomic energy
- Radioactive materials
- Atomic energy-related activities
- Uranium-based energy

5

ELECTRONIC SUBMISSION FACILITY [Section 4(5)]

Application documents may be submitted electronically.

Documents may be authenticated through digital signature.

6

DEFICIENCY IN APPLICATION DOCUMENTS [Section 4(6)]

If required details/documents are missing:

- Registration authority shall inform applicant.

Applicant must submit missing documents within 21 days.

7

REJECTION OF APPLICATION [Section 4(7)]

Application may be rejected if:

- Required documents are not submitted within 21 days; or
- Requirements under Act/rules are not fulfilled.

Conditions:

- Reasons must be recorded.
- Written notice must be provided within 5 days of decision.

8

PROVINCIAL INDUSTRY REGISTRATION [Section 4(8)]

Industries other than those mentioned in Section 4(1) shall apply to the concerned Provincial industry registration body with required documents.

9

DEEMED PERMISSION FOR ESTABLISHMENT [Section 4(9)]

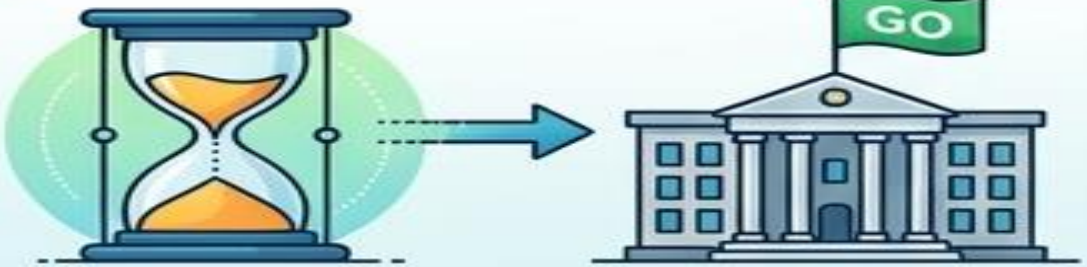

If:

- No additional documents/information are requested within 15 days from application registration; or
- No decision is made within 15 days after submission of required documents,

then:

- Applicant cannot be prevented from establishing or operating the industry.
  Exception: Industries referred to in Section 4(4).
- Department shall issue Industry Registration Certificate after such establishment/operation.

9

Nepal Government

SECTION 4A: REGISTRATION AND OPERATION OF STARTUP ENTERPRISES – SUMMARY

WHAT IS A STARTUP ENTERPRISE?

Firms or companies using innovation and creative thinking for development, production, operation, operation, or distribution of goods, services, or processes may be registered registered as Startup Enterprises.

STARTUP ENTERPRISE REQUIREMENTS

NEW COMPANY FORMATION

Be registered as a new company, private firm, or partnership firm.

INNOVATION & TECHNOLOGY

Use innovative ideas and technology in producing goods or services.

RAPID GROWTH POTENTIAL

Have potential for rapid growth and scalability.

AGE UNDER 10 YEARS

Have completed less than 10 years from the date of registration.

ANNUAL TURNOVER LIMIT

Have annual turnover of not more than NPR 150 million (Rs. 15 crore) in any financial year after registration.

FURTHER PROVISIONS

Other provisions relating to the registration and operation of Startup Enterprises shall be as prescribed.

SUPPORT & PROMOTION

The Government of Nepal, Provincial Governments, and Local Levels may establish and operate Enterprise Promotion Centres for promoting Promotion Centres for promoting Startup Enterprises.

REGULATION & RECORD KEEPING

The authority responsible for startup registration shall regulate Startup Enterprises.

A separate record of registered Startup Enterprises shall be maintained by the registering authority.

SECTION 5: INDUSTRY REGISTRATION CERTIFICATE

CERTIFICATE ISSUANCE

Registration certificate issued within 5 days after complete application.

CERTIFICATE INCLUDES:

a. Date of issue
b. Time limit for commercial production/operation
c. Conditions to be followed by the industry
d. Other conditions, if any

SPECIAL PROVISION

A micro-industry may apply for registration within 1 year after starting operation.

SECTION 6: COMPLAINT

RIGHT TO COMPLAIN

If registration is refused, a complaint may be filed within 30 days.

APPEAL LIES TO:

a. Ministry (for Department's decision)
b. Provincial Ministry (for Provincial authority's decision)

DECISION

Complaint must be decided within 30 days. Other procedures are as prescribed.

SECTION 7: ENVIRONMENTAL PROTECTION

ENVIRONMENTAL APPROVAL

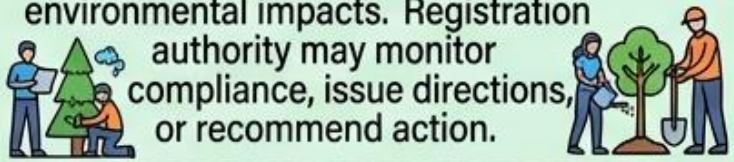

EIA/IEE approval is mandatory before establishment or operation where required by law.

Fresh EIA/IEE may be required for:

a. [redacted] capacity expansion
b. Change in objectives
c. Change or transfer of location

ENVIRONMENTAL RESPONSIBILITY

Industry must prevent and mitigate environmental impacts. Registration authority may monitor compliance, issue directions, or recommend action.

SELF-DECLARATION

Industries not requiring EIA/IEE must submit a self-declaration confirming they will take measures to minimize environmental impacts.

Also submit Environmental Management Plan (EMP)

SECTION 8: PERMISSION REQUIRED - SUMMARY

Industries listed in Schedule 1 require prior permission before registration

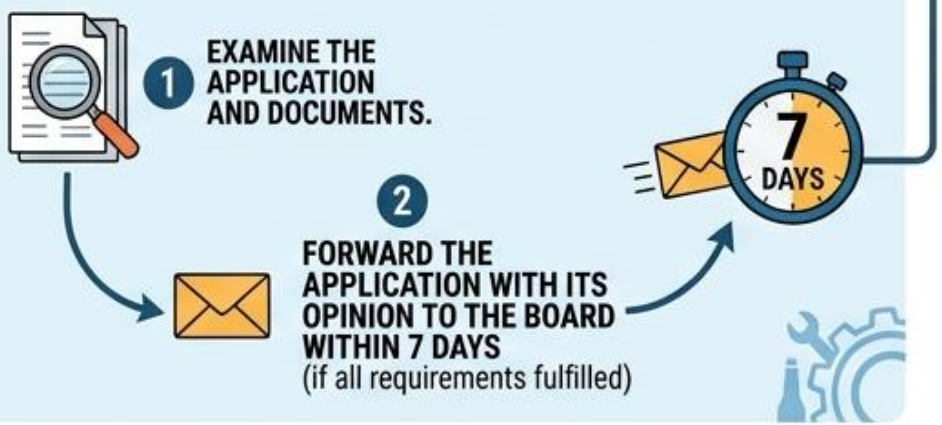

Schedule - 1

Industries under Serial No. 1 of Schedule 1 require prior approval from the Government of Nepal, Council of Ministers.

Applicant seeking permission submits **application** to the Board through the industry registration authority.

THE INDUSTRY REGISTRATION AUTHORITY SHALL:

THE BOARD SHALL DECIDE WHETHER TO GRANT OR REFUSE PERMISSION FOR REGISTRATION (WITHIN 30 DAYS)

GRANT PERMISSION

REFUSE PERMISSION

IF PERMISSION IS REFUSED:

THE INDUSTRY REGISTRATION AUTHORITY SHALL INFORM THE APPLICANT WITHIN 5 DAYS OF THE DECISION.

IF PERMISSION IS GRANTED:

1. THE DEPARTMENT SHALL ISSUE A PERMISSION LETTER WITHIN 5 DAYS OF THE BOARD'S DECISION. (5 DAYS)
2. APPLICANT MUST APPLY FOR INDUSTRY REGISTRATION WITHIN THE PERIOD MENTIONED IN THE PERMISSION LETTER.

IF THE APPLICANT CANNOT APPLY WITHIN SPECIFIED PERIOD:

1. APPLICANT MAY REQUEST EXTENSION OF VALIDITY (by stating reasons)
2. THE BOARD MAY EXTEND VALIDITY IF REASONS ARE REASONABLE.

THE BOARD MAY IMPOSE ADDITIONAL TERMS AND STANDARDS while granting permission.

PROHIBITIONS BEFORE COMMENCEMENT:

APPLICANT SHALL NOT (before operation, commercial production, or business):

- SELL THE PERMISSION LETTER.
- TRANSFER RIGHTS UNDER PERMISSION LETTER.
- CHANGE OWNERSHIP OF PERMISSION LETTER.

INHERITANCE (IF APPLICANT DIES BEFORE COMMENCEMENT):

THE LEGAL HEIR MAY COMPLETE REMAINING PROCEDURES ACCORDING TO PREVAILING LAW.

Section 9: Requirement to Notify Commencement of Industry, Commercial Production, or Business Operations

SECTION 9: COMMENCEMENT NOTIFICATION

AN INDUSTRY REGISTERED UNDER THE ACT MUST COMMENCE:

① OPERATION

② COMMERCIAL PRODUCTION

③ BUSINESS TRANSACTIONS

WITHIN THE PERIOD SPECIFIED IN THE INDUSTRY REGISTRATION CERTIFICATE.

THE INDUSTRY MUST NOTIFY THE INDUSTRY REGISTRATION AUTHORITY WITHIN 30 DAYS AFTER COMMENCEMENT.

IF AN INDUSTRY CANNOT COMMENCE OPERATION WITHIN THE SPECIFIED PERIOD:

① IT MAY APPLY TO THE INDUSTRY REGISTRATION AUTHORITY FOR AN EXTENSION OF TIME BY STATING THE REASONS FOR DELAY.

WHILE CONSIDERING AN EXTENSION APPLICATION, THE INDUSTRY REGISTRATION AUTHORITY SHALL CONSIDER:

PROGRESS OF CONSTRUCTION AND ESTABLISHMENT WORKS

NATURE OF THE INDUSTRY

PRESCRIBED DELAY FEE PAYMENT

IF THE REASONS ARE SATISFACTORY, THE INDUSTRY REGISTRATION AUTHORITY MAY EXTEND THE PERIOD AS PRESCRIBED.

IF EXTENSION IS REQUIRED MORE THAN THREE TIMES, THE DEPARTMENT SHALL SUBMIT THE MATTER WITH ITS RECOMMENDATION TO THE BOARD FOR APPROVAL.

DEPARTMENT

BOARD

Section 10: Monitoring and Inspection

SECTION 10: MONITORING & INSPECTION

THE MINISTRY OR INDUSTRY REGISTRATION AUTHORITY MAY MONITOR AND INSPECT INDUSTRIES FROM TIME TO TIME TO VERIFY COMPLIANCE WITH:

- ☑ THIS ACT
- ☑ RULES FRAMED UNDER THIS ACT
- ☑ TERMS MENTIONED IN THE INDUSTRY REGISTRATION CERTIFICATE

OFFICIALS ASSIGNED FOR MONITORING AND INSPECTION MAY:

ENTER INDUSTRY PREMISES

COLLECT AUDIO-VISUAL INFORMATION AND NECESSARY DATA

EXAMINE REQUIRED DOCUMENTS

DEMAND NECESSARY INFORMATION AND DETAILS

MATTERS RELATING TO PROTECTION AND CONFIDENTIALITY OF INTELLECTUAL PROPERTY RIGHTS SHALL BE GOVERNED BY PREVAILING INTELLECTUAL PROPERTY LAWS.

INDUSTRIES HAVE A DUTY TO PROVIDE THE REQUIRED INFORMATION AND DETAILS DURING MONITORING AND INSPECTION.

IF ANY PROBLEM IS IDENTIFIED DURING MONITORING:

THE INDUSTRY REGISTRATION AUTHORITY MAY CONSULT AND FACILITATE THE CONCERNED INDUSTRY TO RESOLVE THE ISSUE.

INDUSTRIAL REGULATION: APPROVAL PROCEDURES

SECTION 11: APPROVAL REQUIRED FOR RELOCATION OF AN INDUSTRY

1. Submit an application to the industry registration authority with prescribed details and reasons.
2. The authority may approve relocation after:
   - Obtaining recommendation from the concerned Local Level where the industry will be relocated.
   - Completing required environmental study, if applicable.
3. Information regarding approval of relocation shall be provided to:
   - Concerned Provincial Ministry responsible for industries, and
   - Concerned Local Level.
4. Other provisions relating to relocation shall be as prescribed.

SECTION 12: APPROVAL REQUIRED FOR CAPITAL INCREASE, CAPACITY EXPANSION, AND CHANGE OF OBJECTIVES

- An industry must obtain approval from the industry registration authority before:
  - Increasing existing capital,
  - Expanding production capacity,
  - Adding, changing, or altering objectives.
- The authority shall grant approval within 90 days if the application is satisfactory and prescribed procedures are fulfilled.

If capital increase, capacity expansion, or change in objectives results in a change in industry classification:
- Records shall be updated.
- The change shall be recorded in the Industry Registration Certificate.

Micro Enterprises and Cottage & Small Industries with fixed capital not exceeding NPR 10 million (Rs. 1 crore) and not require prior permission:
- Do not require approval for capital increase or capacity expansion.
- If such changes require EIA or IEE, environmental approval must be obtained according to prevailing law.

NOTE Increase in production due to improved managerial efficiency without changing machinery or equipment:
- Shall not be considered as capacity expansion.

SECTION 12A: APPROVAL REQUIRED FOR TRANSFER OR CHANGE OF OWNERSHIP

- Transfer or change of ownership of an industry requires approval from the industry registration authority.
- An application must be submitted with prescribed documents.
- The authority shall grant approval within 30 days after examining the submitted documents and finding it appropriate.

INDUSTRIAL REGULATION: SECTIONS 13-16 INFOGRAPHIC

SECTION 13: SUBMISSION OF DETAILS

Annual submission

Every industry must submit prescribed details within 6 months after the end of each fiscal year.

Details may be submitted electronically.

Closed industries

Even if an industry remains closed or has no production/transactions, it must submit nil details.

No submission is required after officially notifying the registration body of the closure

SECTION 14: INFORMATION OF CLOSURE

Mandatory notice

An industry must inform the registration body within 30 days if it:

a. Closes its business

b. Suspends commercial production or transactions

SECTION 15: CANCELLATION OF INDUSTRY REGISTRATION

Application for cancellation

An industry that cannot continue operations may apply for cancellation.

Insolvency cases are governed by the Insolvency Law.

Cancellation process

Registration is cancelled after verifying payment of taxes and other government liabilities

Information of cancellation is sent to the applicant and concerned government agencies

Insolvency

If an industry is liquidated through insolvency proceedings, the liquidator must notify the registration body.

SECTION 16: MANAGEMENT OF RECORDS

Record maintenance

Registration body maintains records relating to registration, renewal, name change, location, capital, capacity, objectives, and cancellation.

Access to records

Industry owners may obtain certified copies on payment of the prescribed fee.

Lost or destroyed records may be reconstructed and duplicate copies issued

Incorrect duplicate records may be cancelled.

Confidentiality

Records are provided only to the industry or its owner.

Exception: Records may be provided to a court or government authority when legally required

Electronic records

Records must also be maintained electronically and may be shared with government bodies through electronic systems.

Chapter-3 Classification of Industries and Fixed Capital

Section 17: Classification of industries
Section 18: Fixed capital of industry
Section 19: Industry of national priority

CLASSIFICATION OF INDUSTRIES (SECTION 17)

Schedules

17(1) CLASSIFICATION BY INVESTMENT SIZE

Micro Industry — Individua, Workers

- **Fixed capital up to Rs. 2 million** (excluding land & building)
- **Entrepreneur manages the business**
- Maximum **9 workers**
- **Annual turnover below Rs. 10 million**
- Power consumption up to **20 KW**

Cottage Industry

- **Traditional skill & technology based**
- **Labour/local raw material based**
- Power consumption up to **50 KW**
- Includes industries in **Schedule 2**

Industry Size

Small Industry
Fixed capital up to **Rs. 150 million**

Medium Industry
Fixed capital **Rs. 150–500 million**

Large Industry
Fixed capital above **Rs. 500 million**

17(2) CLASSIFICATION BY NATURE OF BUSINESS

Energy-based Industry
Energy generation (Schedule 3)

Manufacturing Industry
Production/processing of goods

Agriculture & Forest-based Industry
Agriculture/forest product industries (Schedule 4)

Mining Industry
Mineral extraction & processing

Infrastructure Industry
Infrastructure projects (Schedule 5)

Tourism Industry
Tourism-related services (Schedule 6)

IT/Communication Industry
IT, ICT & information services (Schedule 7)

Service Industry
Service-based businesses (Schedule 8)

17(3) AUTOMATIC RECLASSIFICATION

Industry is automatically reclassified if capital, capacity, or objectives change under Section 12.

17(4) GOVERNMENT POWER

Government may add, shift, or reclassify industries through a Nepal Gazette notification.

17(5) COOPERATIVE-OWNED INDUSTRIES

Eligible cooperatives may register industries under the Act.

17(6) EXISTING INDUSTRIES

Industries registered before this Act may update their classification under the Act.

17(7) AMENDMENT OF CLASSIFICATION

Government may revise industry classifications by Gazette notification.

Section 18: Fixed Capital of Industry

18(1) Assets Included in Fixed Capital

Buildings & Structures
Buildings, factories, warehouses
Underground/overground structures
Staff housing

Infrastructure
Internal roads, sewerage, water supply
Electricity systems

Plant & Equipment
Machinery, tools & spare parts
Transport vehicles
Office equipment
Furniture & fixtures
Communication systems

18(2) Capitalized Pre-Operation Expenses

Technical & inspection expenses
Pre-investment & pre-operation expenses
Capitalized interest
Environmental study & research expenses

Section 19: Industry of National Priority

Schedule - 9

Industries listed in **Schedule 9** are recognized as **Industries of National Priority.**

Chapter-4 Provisions Relating to Industry and Investment Promotion Board

Section 20: Constitution of Board
Section 21: Functions, duties and powers of the Board
Section 22: Secrecy to be maintained
Section 23: Provisions relating to Provincial industry and investment promotion board

SECTION 20: CONSTITUTION OF INDUSTRY & INVESTMENT PROMOTION BOARD

20(1) BOARD COMPOSITION

CHAIRPERSON

MINISTER FOR INDUSTRY, COMMERCE & SUPPLIES

GOVERNMENT MEMBERS

- NPC Member (Industry)
- Governor, Nepal Rastra Bank
- Secretaries of concerned Ministries
- CEO, Investment Board Nepal
- Joint Secretary (Industry Promotion)
- Director General, Department of Industry (Member-Secretary)

PRIVATE SECTOR MEMBERS

- FNCCI Chairperson
- CNI Chairperson
- Federation of Nepal Cottage & Small Industries Chairperson
- Women Entrepreneurs Federation Chairperson
- Two industry experts (including at least one woman)

20(2) MINISTER OF STATE

Minister MoS

If both Minister and Minister of State are appointed, the Minister of State serves as a Board Member.

20(3) EXPERTS

Board may invite experts or government officials to meetings.

External specialists

20(4–5) MEETINGS

Meets at least once every two months.

Agenda circulated 24 hours in advance.

20(6–8) CONFLICT OF INTEREST & DECISIONS

Members with a personal interest cannot participate.

Decisions made in violation are void.

Decisions are authenticated by the Member-Secretary.

20(9–10) SECRETARIAT & PROCEDURE

- Secretariat is located in the Department of Industry.
- Board determines its own meeting procedures.

SECTION 21: FUNCTIONS, DUTIES & POWERS OF THE BOARD

21(1) KEY FUNCTIONS

Policy & Reform

- Recommend industrial, investment & FDI policies
- Suggest legal, institutional & procedural reforms
- Recommend changes in industry classification

Industrial Development

- Review industrial growth
- Promote investment & competitiveness
- Conduct studies & research
- Recommend pollution control policies

Coordination & Facilitation

- Resolve entrepreneurs' grievances
- Coordinate with Provincial & Local Governments
- Facilitate One-Stop Service Centre
- Remove implementation difficulties
- Perform other prescribed functions

21(2) DELEGATION

Board may delegate its powers to a Government body or officer.

21(3) ANNUAL REPORT

Submit an annual report to the Ministry within 30 days after the fiscal year ends.

Ministry publishes the report on its website.

SECTION 22: SECRECY TO BE MAINTAINED

22(1) CONFIDENTIALITY

CONFIDENTIALITY

Board members and participants must not disclose or misuse confidential informatiored through Board functions.

22(2) CONSEQUENCE

CONSEQUENCE

Breach of confidentiality is treated as official misconduct, and the violation is officially recorded.

SECTION 23: PROVINCIAL INDUSTRY & INVESTMENT PROMOTION BOARD

23(1) CONSTITUTION

Provincial Government may establish a Provincial **Industry & Investment Promotion Board** under provincial law.

23(2) FUNCTIONS

Policy & Development

- Review industrial development and recommend reforms
- Promote domestic investment
- Implement industrial pollution control policies

Research & Promotion

- Conduct studies and surveys
- Promote a competitive industrial environment

Coordination & Facilitation

- Resolve entrepreneurs' grievances
- Coordinate with Local Levels
- Coordinate with the Federal Board for One-Stop Service Centre services
- Request clarification on federal industry laws through the Provincial Ministry
- Perform other functions for industrial promotion

23(3) RECOMMENDATIONS

May submit suggestions and recommendations to the Ministry through the concerned Provincial Ministry for industrial and investment promotion.

Chapter-5 Provisions Relating to Incentives, Exemptions, Facilities or Concessions for Industries

Section 24: Exemptions, facilities or concessions relating to Income Tax
Section 25: Exemptions, facilities or concessions relating to customs duty
Section 26: Other facilities and concessions for micro-industries
Section 27: Additional facilities for female entrepreneurs
Section 28: Special provisions relating to industries operated in industrial region
Section 29: Additional facilities and concessions
Section 30: Provisions relating to land
Section 31: Provision of land on lease
Section 32: Exemption on land ceiling
Section 33: Guarantee of incentives, exemptions, facilities or concessions
Section 34: Nationalisation or expropriation not to be made
Section 35: Provision relating to industrial security
Section 36: Prohibition on misusing incentives, exemptions, facilities or concessions

SECTION 24: INCOME TAX EXEMPTIONS, FACILITIES & CONCESSIONS

Schedule - 10

24(1) GENERAL

Registered industries are entitled to tax exemptions, facilities and concessions under prevailing laws.

24(2) MAJOR INCENTIVES

MANUFACTURING INDUSTRY

20% exemption on income tax rate.
Additional 5% exemption on export income.

INFRASTRUCTURE INDUSTRY

40% income tax exemption.

REGIONAL INCENTIVES (up to 10 years)

Three tiers for 10 years (Exemption): Least developed 90%, Undeveloped 80%, Less developed 70% (excluding fruit-based brandy, cider and wine industries)

Fruit-based brandy/cider/wine:
- Least developed – 40%
- Underdeveloped – 25%

TEA, DAIRY & TEXTILE INDUSTRIES

50% income tax exemption.

INTELLECTUAL PROPERTY

Royalty from export – 25% exemption.
Transfer of IP rights – 50% exemption.

LARGE MANUFACTURING INDUSTRIES

Investment above **Rs. 1 billion + 500+ employees:**
- 100% exemption for first 5 years.
- 50% exemption for next 3 years.

Capacity expansion:
25% increase in capacity, Investment Rs. 2 billion, **300+ employees:**
- 100% exemption for 5 years.
- 50% exemption for next 3 years.

HYDROPOWER & RENEWABLE ENERGY

Projects commencing commercial operation **by Chaitra 2080:**

- 100% exemption for 10 years.
- 50% exemption for next 5 years.

MINING, PETROLEUM & NATURAL GAS

Commercial operation by Chaitra 2080:

- 100% exemption for 7 years.
- 50% exemption for next 3 years.

TOURISM INDUSTRY

Investment above Rs. 2 billion:

- 100% exemption for 5 years.
- 50% exemption for next 3 years.

TECHNOLOGY PARK INDUSTRIES

50% income tax exemption.

EMPLOYMENT-BASED INCENTIVES

300+ Nepali employees: 15% tax exemption.
1,200+ Nepali employees: 25% tax exemption.
Additional 15% exemption if 50% of employees are women, Dalits or persons with disabilities.

TAX DEDUCTIONS

- Employee welfare & training.
- Pollution control & recycling.
- Energy-efficient machinery.
- Research & development.
- Market promotion & advertising.
- Market promotion & advertising.
- Property protection & insurance.
- Intellectual property protection & registration.
- Donations (up to Rs. 100,000 or 5% of adjusted taxable income, whichever is less)
- Government-notified donations.

24(3) EXCLUDED INDUSTRIES

Tobacco and liquor industries (except clause (d)) are not eligible for these incentives, except specified business-related deductions.

24(4) ONE EXEMPTION RULE

If multiple exemptions apply to the same income, only one exemption may be claimed.

24(5) DIVIDEND TAX

100% dividend tax exemption on capitalization of accumulated profits for expansion into eligible industries.

24(6) COTTAGE & SMALL INDUSTRIES

Cottage and small industries with fixed capital below Rs. 10 million receive 50% income tax exemption.

SECTION 25: CUSTOMS DUTY EXEMPTIONS FOR INDUSTRIES

1 DUTY DRAWBACK

EXPORTING INDUSTRIES WITHOUT A BONDED WAREHOUSE/PASSBOOK CAN CLAIM CUSTOMS DUTY REFUND (DUTY DRAWBACK) AT RATES PUBLISHED BY THE MINISTRY OF FINANCE THROUGH THE ONE STOP SERVICE CENTRE.

2 IMPORT FACILITY

INDUSTRIES WITHOUT A BONDED WAREHOUSE LICENSE MAY IMPORT RAW MATERIALS, SUBSIDIARY RAW MATERIALS, AND PACKAGING MATERIALS BY DEPOSITING CUSTOMS DUTY IF GOODS ARE EXPORTED THROUGH LETTER OF CREDIT (LC), THE BANKING SYSTEM, OR SOLD IN NEPAL IN FOREIGN CURRENCY.

3 CERTIFICATION REQUIRED

THIS FACILITY APPLIES ONLY IF THE DEPARTMENT CERTIFIES THAT THE PACKAGING MATERIALS ARE NOT PRODUCED IN NEPAL.

4 LOWER DUTY ON INPUTS

CUSTOMS DUTY ON INDUSTRIAL INPUTS SHOULD GENERALLY BE ONE LEVEL LOWER THAN THE DUTY ON THE FINISHED PRODUCTS.

5 INDUSTRIAL MACHINERY

MINIMUM CUSTOMS DUTY APPLIES TO IMPORTED MACHINERY, GENERATORS, AND INDUSTRIAL EQUIPMENT OF 10 KW OR MORE USED FOR COMMERCIAL PURPOSES.

6 RESEARCH & TESTING EQUIPMENT

MINIMUM CUSTOMS DUTY ALSO APPLIES TO MACHINERY AND SCIENTIFIC EQUIPMENT IMPORTED FOR QUALITY TESTING, RESEARCH, AND DEVELOPMENT (R&D).

7 INTERMEDIATE GOODS REFUND

INDUSTRIES PRODUCING INTERMEDIATE GOODS USED IN EXPORTED PRODUCTS CAN RECEIVE A REFUND OF CUSTOMS DUTY PAID ON THOSE GOODS.

8 CONDITION

REFUND MUST BE CLAIMED WITHIN 1 YEAR FROM THE DATE OF EXPORT.

SECTION 26: FACILITIES FOR MICRO-INDUSTRIES

NO REGISTRATION FEE

REGISTRATION OF A MICRO-INDUSTRY UNDER THE ACT IS FREE OF CHARGE.

100% INCOME TAX EXEMPTION

A MICRO-INDUSTRY ALREADY IN OPERATION AT THE COMMENCEMENT OF THE ACT

OR

REGISTERED AND OPERATING UNDER THE ACT

IS ENTITLED TO FULL INCOME TAX EXEMPTION

100% EXEMPTION

ADDITIONAL FACILITIES AND PROVISIONS FOR ENTREPRENEURS & INDUSTRIES IN NEPAL

SECTION 27: ADDITIONAL FACILITIES FOR FEMALE ENTREPRENEURS

REGISTRATION FEE DISCOUNT

35% exemption on industry/ firm registration fee for industries solely owned by women

INDUSTRIAL PROPERTY REGISTRATION

20% exemption on registration fee for industrial property used by such industry

PRIORITY IN INDUSTRIAL AREAS

Priority in allotment of space in industrial zones and industrial villages

EXPORT LOAN SUPPORT

Eligible for export loans through the banking system from the Female Entrepreneur Fund, subject to prescribed conditions

SECTION 28: SPECIAL PROVISIONS FOR INDUSTRIES IN INDUSTRIAL AREAS

The Government of Nepal may provide special incentives, facilities, and concessions for industries operating in:

Industrial Zones Industrial Clusters
Industrial Corridors Industrial Villages

SECTION 29: ADDITIONAL INCENTIVES AND FACILITIES

In addition to incentives, exemptions, facilities, and concessions provided under **Sections 24, 25, 26, 27, and 28, additional facilities may be provided to industries.**

GENERAL PROVISIONS

- Forest-based industries may receive rights to use specified forest areas through lease or concession according to prevailing forest laws.
- Electricity generated by an industry for its own consumption shall be exempt from applicable fees or royalties.
- Industries may sell surplus electricity generated for their own use at mutually agreed rates according to prevailing laws.
- Industries may receive rebate on electricity demand charges for periods of electricity supply interruption as prescribed.
- Industry registration authority may prescribe permissible raw material wastage (loss) standards for industries using raw materials according to approved consumption capacity.

GOVERNMENT OF NEPAL MAY PROVIDE ADDITIONAL INCENTIVES AND FACILITIES THROUGH NEPAL GAZETTE NOTIFICATION TO:

1. Export-oriented industries,
2. Industries in Special Economic Zones (SEZs),
3. Industries in government or private industrial estates.

BASED ON THE RECOMMENDATION OF THE BOARD, ADDITIONAL INCENTIVES MAY BE PROVIDED TO:

1. Industries of National Priority,
2. Industries using maximum domestic raw materials, labour, and skills,
3. Industries developing technology or inventing products within Nepal.

FOREIGN INVESTMENT INDUSTRIES

may be permitted to import products manufactured by their foreign parent companies for:

- Introduction of new products
- Market development, subject to prescribed conditions and limits.

EXCEPT TOBACCO AND ALCOHOL INDUSTRIES, INCENTIVES MAY BE PROVIDED TO:

- Production-oriented industries under Section 17(2)
- Agriculture and forest-based industries
- Mineral industries

SPECIAL INCENTIVES AND FACILITIES MAY BE PROVIDED TO INDUSTRIES OPERATING IN:

- Industrial estates
- Product-specific zones
- Industrial villages

ADDITIONAL INCENTIVES MAY BE PROVIDED TO INDUSTRIES ESTABLISHED IN:

- Highly underdeveloped areas
- Underdeveloped areas
- Less developed areas

MICRO, COTTAGE, AND SMALL INDUSTRIES

may receive customs duty exemption on import of modern machinery, equipment, and technology for capacity expansion.

STARTUP ENTERPRISES

may receive incentives, exemptions, concessions, financial facilities, and non-financial support from:

- Government of Nepal
- Provincial Governments
- Local Levels

SEED CAPITAL GRANTS MAY BE PROVIDED TO:

- Cooperatives
- Micro enterprises
- Cottage industries
- Small industries established in highly undsrdeveloped areas.

INFORMATION TECHNOLOGY INDUSTRIES

with investment exceeding NPR 1 billion may receive prescribed incentives and facilities.

INDUSTRIES MAY OBTAIN PROJECT LOANS OR ENTER INTO PROJECT FINANCING AGREEMENTS

with foreign financial institutions with approval of Nepal Rastra Bank.

INFORMATION TECHNOLOGY-BASED INDUSTRIES ENGAGED IN:

- Software development
- Data processing
- BPO, KPO
- BPO, with annual turnover exceeding NPR 50 million (Rs. 5 crore) may receive incentives and facilities through Nepal Gazette notification.

NEPAL INDUSTRIAL DEVELOPMENT: PROVISIONS RELATING TO LAND (SECTIONS 30 & 31)

SECTION 30: PROVISIONS RELATING TO LAND

LAND ACQUISITION BY ENTREPRENEUR

An entrepreneur establishing an industry under this Act or prevailing law must arrange and purchase required land on their own according to prevailing laws.

ASSISTANCE FOR PRESCRIBED INDUSTRIES

If prescribed industries are unable to purchase required land and request assistance:

- The industry registration authority shall provide necessary coordination and facilitation for purchase or provision of land.
- Procedures relating to coordination, facilitation, and provision of land shall be as prescribed.

SECTION 31: PROVISION OF LAND ON LEASE

ELIGIBILITY FOR GOVERNMENT LAND LEASE

Large Industries and National Priority Industries requiring Government-owned land may apply to the industry registration authority for land on lease.

APPLICATION DETAILS

The application must specify:

- Required area of land,
- Other prescribed details.

APPLICATION PROCESSING

The industry registration authority shall forward the application to the Ministry for necessary action.

LEASING OF GOVERNMENT LAND

The Government of Nepal may provide government-owned land on lease for industrial operation according to prevailing law.

APPLICATION DETAILS

The application must specify:

- Required area of land,
- Other prescribed details.

LEASE AGREEMENT

Lease amount and other conditions shall be determined through an agreement between:

- Government of Nepal, and
- Concerned industry.

TERMINATION OF LEASE & LAND RETURN

If an industry operating on leased government land stops operation:

- The lease agreement automatically terminates.
- The land automatically returns to the Government of Nepal without compensation.

OTHER PROVISIONS

Other provisions regarding leasing of land shall be as prescribed.

SECTION 32: EXEMPTION FROM MAXIMUM LAND CEILING

APPLICATION AND RECOMMENDATION

An industry requiring land beyond the statutory land ceiling may apply to the industry registration authority for exemption.

The industry registration authority shall:

- Examine the application
- Submit a report with recommendation to the Ministry.

GOVERNMENT DECISION & CONDITIONS

The Government of Nepal may allow an industry to hold excess land considering:

- Industry requirements
- Approved scheme or project proposal
- Prescribed standards.

Land obtained through exemption:

- Can only be used for the purpose for which exemption was granted.

MONITORING & CONSEQUENCES

The industry registration authority may monitor use of exempted land and issue necessary directions.

If an industry fails to comply with directions:

- Government of Nepal may take back excess land according to prevailing law without compensation.

MORTGAGE OF EXCESS LAND

An industry permitted to hold land beyond the ceiling may mortgage up to 50% of such land to banks or financial institutions for obtaining loans for capacity expansion, within the area determined by the industry registration authority based on DPR.

Entire excess land may be mortgaged where:

- Permission is granted with prescribed conditions
- Project financing is obtained, or
- Project transfer agreement exists with Government/government agency after completion of prescribed period.

Mortgage of such land shall not create any financial liability for:

- Government of Nepal, or
- Concerned government agency.

CAPACITY EXPANSION DEFINITION

Capacity expansion includes:

- Investment in infrastructure expansion
- Purchase and installation of machinery
- Activities increasing production and productivity according to the objectives of the Memorandum of Association.

PRESCRIBED MATTERS

The following matters shall be prescribed subject to prevailing land laws:

- Maximum landholding limit based on industry requirements, capital, and nature.
- Procedure for obtaining land ceiling exemption.
- Conditions and standards to be followed by industries receiving exemption.

GOVERNMENT OF NEPAL

'GUARANTEES & REGULATIONS FOR INDUSTRIAL ENTERPRISES

SECTION 33: GUARANTEE OF INCENTIVES, EXEMPTIONS, FACILITIES OR CONCESSIONS

Protection of Benefits:
Incentives, exemptions, facilities, or concessions granted under the Act cannot be reduced.

Additional Benefits Allowed:
The Government may provide further incentives or concessions.

Protection for Existing Industries:
Industries registered under the Industrial Enterprises Act, 2073 continue to receive benefits under that Act for the specified period.

New Commercial Operation: Industries registered before this Act but commencing commercial operation after its commencement receive benefits under this Act, unless the previous law provides greater or longer benefits.

Procedures: The procedure for claiming incentives and concessions is prescribed by law.

SECTION 34: NATIONALISATION OR EXPROPRIATION NOT TO BE MADE

No Nationalisation:
Industries registered under this Act cannot be nationalised.

Expropriation Only for Public Purpose:
Industries may be expropriated only for a public purpose and only after following due legal process.

SECTION 35: INDUSTRIAL SECURITY

Security Support:
The Government of Nepal may provide industrial security to industries as prescribed under the law.

SECTION 36: PROHIBITION ON MISUSING INCENTIVES, EXEMPTIONS, FACILITIES OR CONCESSIONS

Use Only for Intended Purpose:
Incentives, exemptions, facilities, and concessions must be used only for the purpose for which they were granted.

Violation Leads to Loss of Benefits: Industries violating the Act or itsis Rules are not entitled to receive incentives, exemptions, facilities, or concessions under this Chapter.

Chapter-6 Provisions Relating to One stop Service Centre

Section 37: Establishment of One stop Service Centre
Section 38: Functions, duties and powers of the One stop Service Centre

SECTION 37: ESTABLISHMENT OF ONE STOP SERVICE CENTRE

Single-Window Service: Government may establish a One Stop Service Centre (OSSC) to provide industry-related services from one place.

Purpose: Facilitate industry registration, permission, expansion, incentives, exemptions, facilities, concessions, and liquidation (except insolvency) efficiently.

Institutional Representation: Concerned government bodies shall assign authorized officials to the OSSC with necessary delegated powers.

Operations: Location, services, representation, and procedures are prescribed by law.

Interim Committee: Until the OSSC is established, the Government may form a One Stop Service Operation Committee by publishing a notice in the Nepal Gazette.

SECTION 38: FUNCTIONS, DUTIES AND POWERS OF THE ONE STOP SERVICE CENTRE

Industry Administration: Registration, licensing, renewal, approvals, capacity enhancement, and dissolution (except insolvency).

Foreign Investment: Precess foreign investment approvals.

Labour & Work Permits: Facilitate labour permits and work approvals.

Visa Services: Provide visa-related facilitation.

Environmental Approvals: Handie IEE and EIA-related processes.

Infrastructure Coordination: Coordinate electricity, water, roads, communication, and land required for industries.

Incentives & Concessions: Implement Government decisions on industrial incentives and facilities.

Foreign Exchange: Process foreign currency exchange approvals.

PAN Services: Provide Permanent Account Number (PAN).

Visa Services: Assist with export-impnits and work approvals.

Trade Facilitation: Assist with export-import codes and bonded warehouse facilities.

Land Facilitation: Coordinate land acquisition, Government lease, and land ceiling exemptions.

Institutional Coordination: Receive applications requiring approval from multiple agencies and coordinate their processing.

Digital Services: Accept and process applications electronically through an integrated system.

Import Permission: Grant or recommend import approvals where required.

Investment Portal: Operate an investment portal and provide investment-related information.

Industrial Facilitation: Provide recommendations and facilitation for industrial enterprises.

Implement Decisions: Execute decisions and directions issued by the Ministry and the Board.

Other Functions: Perform additional functions assigned by the Government through a Nepal Gazette notification.

Binding Decisions: Decisions made by the One Stop Service Centre must be implemented by the concerned authorities.

Operation & Procedures: Management, services, facilities, concessions, and procedures are prescribed by law.

Chapter-7 Provisions Relating to Sick Industries

Section 39: Identification of sick industries
Section 40: Classification of sick industries
Section 41: Facilities, concessions and exemptions related to sick industries
Section 42: Institutional provision relating to sick industries

CHAPTER 7: PROVISIONS RELATING TO SICK INDUSTRIES

1 SECTION 39: IDENTIFICATION OF SICK INDUSTRIES

Declaration as Sick Industry: Government may declare an industry as a sick industry if:

- It has operated for at least 5 years after commencing commercial production/transaction.
- It has operated at 30% or less of installed capacity for the last 3 consecutive years.
- It has incurred losses for 3 consecutive years.
- The situation is due to circumstances beyond its control, not intentional default or poor management.

Revival Support: Government may provide prescribed exemptions, facilities, or concessions for a specified period to rehabilitate and revive eligible sick industries.

Operation through Cooperatives: With the investor's consent, a sick industry may be operated through a cooperative, subject to prescribed conditions and feasibility.

2 SECTION 40: CLASSIFICATION OF SICK INDUSTRIES

Sick industries may be classified as:

- **Fully Sick Industry**
- **Sick Industry**
- **Industry Oriented to be Sick**

Management measures for each category shall be as prescribed.

3 SECTION 41: FACILITIES, CONCESSIONS AND EXEMPTIONS

Duty, Fee & Tax Relief: Government may grant full or partial exemption from customs duty, fees, or taxes on machinery, tools, and equipment imported for:

- Expansion,
- Restructuring, or
- Diversification of industries identified or classified as sick.

4 SECTION 42: INSTITUTIONAL PROVISION RELATING TO SICK INDUSTRIES

Expert Committee: Government may form a committee of experts to advise on:

- Identification,
- Classification,
- Rehabilitation,
- Restructuring, and
- Management of sick industries.

Prescribed Framework: The committee's structure, functions, duties, and powers shall be as prescribed.

Chapter-8 Provisions Relating to Punishment and Appeal

Section 43: Punishment
Section 44: To be recovered as government due
Section 45: Opportunity to be heard
Section 46: Provisions relating to appeal

CHAPTER-8: PROVISIONS RELATING TO PUNISHMENT AND APPEAL

SECTION 43: PUNISHMENT (Updated as per amended Act)

SUB-SECTION	OFFENCE / DEFAULT	DESCRIPTION	FINE / ACTION	APPLICABLE TO / INDUSTRY
43(1)	Operating industry without registration (Contravention of Section 3)	Operating an industry without registering it as required.	• Rs. 5,000 • Rs. 5,000 • Rs. 25,000 • Rs. 50,000 • Rs. 100,000	• Micro Enterprise • Cottage Industry • Small Industry • Medium Industry • Large Industry
43(2)	Acting contrary to registered objective	An industry operates contrary to its approved objective.	• Up to Rs. 2,000 • Up to Rs. 50,000 • Up to Rs. 100,000 • Up to Rs. 500,000	• Micro Enterprise • Cottage & Small Industry • Medium Industry • Large Industry
43(3)	Failure to inform commencement (Contravention of Section 9)	Failure to inform commencement of operation, commercial production or business within the prescribed period.	• Rs. 2,000 every 6 months • Rs. 10,000 every 6 months • Rs. 25,000 every 6 months	• Micro Enterprise • Cottage & Small Industry • Medium & Large Industry
43(4)	Relocation / Capital increase / Capacity expansion / Change of objectives without approval (Contravention of Sections 11 & 12)	Relocation of industry or increase in capital, capacity or change/addition of objectives without prior approval.	• Rs. 5,000 • Rs. 25,000 – 50,000 • Rs. 100,000 – 300,000 • 100% additional fine (over above applicable fine in (b) or (c)) for industries requiring prior permission under Section 8	• Micro Enterprise • Cottage & Small Industry • Medium & Large Industry • Industries requiring prior permission (Section 8)
43(5)	Failure to submit information (Contravention of Section 13)	Failure to submit the information required within the prescribed period.	• Rs. 1,000 • Rs. 5,000 • Rs. 10,000 • Rs. 25,000	• Micro Enterprise • Cottage & Small Industry • Medium Industry • Large Industry

43(6)	Contravention of Section 36	Acting contrary to Section 36 (misuse of incentives, exemptions, facilities or concessions).	Authority may at any time: • Suspend incentives/exemptions/ facilities/concessions; • Recover an amount equal to such incentive/exemption/facility/ concession; or • Impose fine equal to such amount.	All Industries
43(7)	Failure to discharge CSR responsibility (Contravention of Section 54)	Failure to discharge Corporate Social Responsibility (CSR).	• 1.5% of annual net profit. • Additional 0.5% of annual net profit for each subsequent fiscal year of default.	All Industries
43(8)	Failure to comply with conditions / directions	Failure to comply with any condition under this Act/ Rules or any direction issued by the authority.	• Up to Rs. 5,000 • Rs. 50,000 – 150,000 • Rs. 150,000 – 300,000 • Rs. 250,000 – 300,000	• Micro Enterprise • Cottage & Small Industry • Medium Industry • Large Industry
43(9)	Other violations of Act / Rules	Any other act done in contravention of this Act or Rules (not specifically covered above).	• Up to Rs. 15,000 • Rs. 15,000 – 30,000 • Rs. 30,000 – 50,000 • Rs. 50,000 – 100,000	• Micro Enterprise • Cottage & Small Industry • Medium Industry • Large Industry
43(10)	Additional fine for industries requiring prior permission	Where prior permission under Section 8 is required.	An additional fine of 50% of the fine imposed under this Section.	Industries requiring prior permission (Section 8)
43(11)	Fine for industries registered & regulated by Province / Local Level	Industries registered and regulated by Provincial or Local Governments.	Penalties and enforcement shall be as determined by the relevant Provincial or Local law.	Industries registered & regulated by Province or Local Level

OTHER PROVISIONS (MERGED)

SUB-SECTION	PROVISION
43(10)	Industries requiring prior permission under Section 8 shall be liable to an additional fine of 50% of the fine imposed under Section 43.
43(11)	Fines and enforcement for industries registered and regulated by Provincial or Local Governments shall be governed by the respective Provincial or Local law.

SECTION 44: TO BE RECOVERED AS GOVERNMENT DUE

Any fine imposed under this Act shall be recovered as Government dues in accordance with the prevailing law.

SECTION 45: OPPORTUNITY TO BE HEARD

Before imposing any punishment under this Chapter, the concerned industry must be given a reasonable opportunity to be heard.

SECTION 46: PROVISIONS RELATING TO APPEAL

Right to Appeal: A person aggrieved by a punishment order under this Chapter may appeal to the High Court within **35 days** from the date of receiving notice of the punishment.

Appellate Authority:
- **District Court:** Appeals against decisions of the Local Level Industry Registration Body.
- **High Court:** Appeals against punishments imposed by the Provincial Industry Body or Power the Department.

Chapter-9 Miscellaneous

Section 47: Provisions relating to Special Economic Zone
Section 48: Provisions relating to Nepal business forum
Section 49: Industrial human resource
Section 50: Production through contract
Section 51: Industry and investment promotion fund
Section 52: Provincial industrial and investment promotion fund
Section 53: Facilities not to be provided in duplication
Section 54: Provisions relating to corporate social responsibility
Section 55: Power to declare industrial village, industrial cluster, industrial zone, special economic zone or industrial corridor
Section 56: Prohibition on making building or settlement
Section 57: Electronic means may be used
Section 58: Provision relating to automatic approval process may be made
Section 59: Power of attorney may be given
~~Section 60: Special provisions relating to extension of time-limit or re-registration~~
Section 61: Power of Local Level to perform functions relating to administration of industries
Section 62: Application may be made
Section 63: Delegation of powers
Section 64: Power to remove difficulties
Section 65: Power to make alteration in the Schedule
Section 66: This Act to prevail
Section 67: Power to make rules
Section 68: Power to make and enforce Directives, Procedures or Standards
Section 69: Repeal and Saving

NEPAL INDUSTRIAL RELATIONS & DEVELOPMENT PROVISIONS

SECTION 47: PROVISIONS RELATING TO SPECIAL ECONOMIC ZONE

Provisions relating to economic zones, inland economic zones, export promotion zones, export processing zones, special economic zones, special commercial zones, tourism zones, and other zones established for extensive industrial activities shall be governed by the prevailing laws.

Industrial Activities in Designated Zones

SECTION 48: PROVISIONS RELATING TO NEPAL BUSINESS FORUM

Purpose:

The Government of Nepal may establish a Nepal Business Forum with representation from the private sector to promote coordination and cooperation between the public and private sectors.

MAJOR FUNCTIONS:

- ☑ Facilitate regular dialogue between government and private sector.
- ☑ Support effective implementation of industrial and business-related policies and laws.
- ☑ Identify difficulties, obstacles, and problems in:
  - Operation of industries and businesses.
  - Promotion of investment.
- ☑ Provide suggestions and recommendations to the Government of Nepal.
- ☑ Assist in implementation and monitoring of recommendations.
- ☑ Establish an institutional platform for regular, transparent, and result-oriented public-private dialogue.

Public-Private Sector Collaboration

OTHER PROVISIONS:

Formation, structure, functions, duties, powers, and other matters relating to the Nepal Business Forum shall be as prescribed.

SECTION 49: INDUSTRIAL HUMAN RESOURCE

1. Requirement of Nepali Human Resources

Industries shall fulfil their human resource requirements through Nepali citizens.

2. Appointment of Foreign Citizens

- Required specific skills or competency are unavailable among Nepali citizens, despite advertisement in a national newspaper, or
- For senior-level management positions.

Appointment requires:

- Recommendation from the Department.
- Labour permit under prevailing labour law.

Maximum period of appointment: 5 years.

3. Recommendation for Foreign Employment

Industry registration body shall verify that:

- ☑ The industry attempted to find suitable Nepali human resources.
- ☑ Required skills/competency are necessary for the industry.
- ☑ Such skilled manpower is not available in Nepal.
- ☑ After verification, recommendation shall be made to the Department of Labour for labour permit.

4. Extension for Specialised Technical Persons

A foreign technical person with specialised skills may be re-appointed for an additional period of maximum 2 years if such skill is unavailable in Nepal.

5. Repatriation of Remuneration

Foreign employees appointed under this section may repatriats 70% of their remuneration received in Nepal in foreign currency.

6. Prohibition on Obstruction by Labour

Workers engaged in industries shall not perform activities causing obstruction or hindrance to:

- Operation of industry.
- Production activities.

Labour demands shall be presented peacefully according to prevailing labour law and resolved through mutual understanding.

7. Settlement of Labour Disputes

Individual or collective disputes between industry and workers shall be settled according to the prevailing labour law.

8. Remuneration During Closure Due to Labour Obstruction

If an industry is closed due to obstruction or hindrance caused by labour activities:

- The industry is not required to pay remuneration to workers/employees who stop work during such period.

SECTION 50: PRODUCTION THROUGH CONTRACT

Industries, firms, companies, or institutions having the same objective and registered under prevailing law may enter into:

- Contracts
- Subcontracts

for production or procurement of goods or services.

If goods or services are produced and supplied in a specified quantity under a contract or subcontract for an export-oriented industry according to prescribed standards:

The contracting industry may receive prescribed:

- Incentives
- Exemptions
- Facilities
- Concessions

Other provisions relating to production through contracts or subcontracts shall be as prescribed.

SECTION 51: INDUSTRY AND INVESTMENT PROMOTION FUND

The Government of Nepal shall establish an Industry and Investment Promotion Fund for:

- Promotion of industries,
- Protection of industrial investment.

THE FOLLOWING AMOUNTS SHALL BE CREDITED TO THE FUND:

- Amount received from the Government of Nepal.
- Amount received from any Nepali person or organisation.

RETURNS FROM INVESTMENTS OR AMOUNTS REMAINING IN EXISTING FUNDS, INCLUDING:

- Micro, Cottage and Small Enterprise Development Fund
- Micro, Cottage and Small Industry Loan Disbursement Fund
- Technology Development Fund, Female Entrepreneurship
- Venture Capital Fund
- Sick Industry Rehabilitation, Restructuring and Management Fund
- Industrial Investment Protection and Promotion Fund

BILATERAL OR MULTILATERAL GRANTS OR ASSISTANCE RECEIVED FROM:

- Foreign governments.
- International organisations.

Foreign grants or assistance require prior approval from the Ministry of Finance, Government of Nepal.

THE FUND MAY BE USED FOR:

- Development of micro-industries, cottage and small industries.
- Technology development.
- Industrial promotion.
- Rehabilitation, re-institutionalisation, and management of sick industries.
- Development of women entrepreneurship.

OPERATIONAL & MANAGEMENT PROVISIONS:

- Investment and expenditure from the Fund shall be made according to the approved annual programme of the Fund.
- Other provisions regarding operation and management of the Fund shall be as prescribed.

SECTION 52: PROVINCIAL INDUSTRIAL AND INVESTMENT PROMOTION FUND

A Province may establish a Provincial Industrial and Investment Promotion Fund for:

- Promotion of industrial investment, and
- Protection of industrial investment within the Province.

The operation and management of the Fund shall be governed by Provincial law.

The Fund may be used for the purposes mentioned in Section 51(3), including:

- Development of micro-industries, cottage and small industries, and industries.
- Technology development.
- Industrial promotion.
- Rehabilitation, re-institutionalisation, and management of sick industries.
- Development of women entrepreneurship.

SECTION 53: FACILITIES NOT TO BE PROVIDED IN DUPLICATION

The Government of Nepal or Provincial Government shall not provide duplicate services, facilities, or concessions to any industry under this Act or prevailing laws.

The Government of Nepal shall inform the concerned Provincial Ministry or body about services, facilities, or concessions provided to industries under this Act.

The Provincial Government shall inform the Department about services, facilities, or concessions provided under Provincial laws.

SECTION 54: CORPORATE SOCIAL RESPONSIBILITY (CSR)

The following industries must allocate at least 1% of annual net profit every fiscal year for Corporate Social Responsibility (CSR):

- Medium industries,
- Large industries, and
- Cottage and small industries having annual turnover of more than NPR 150 million (Rs. 15 crore).

CSR

The amount allocated for CSR shall be spent in prescribed areas based on:

- Annual plans, and
- Programmes.

Industries must submit details of:

- CSR programmes completed during each fiscal year, and
- Amount spent on such programmes

6 month

to the concerned industry registration body within 6 months after the end of the fiscal year.

The amount allocated for CSR may be claimed as a deductible expense for income tax purposes.

SECTION 55:
POWER TO DECLARE INDUSTRIAL VILLAGE, INDUSTRIAL CLUSTER, INDUSTRIAL ZONE, SPECIAL ECONOMIC ZONE OR INDUSTRIAL CORRIDOR.

Industrial Areas

The Government of Nepal may, by publishing a notice in the Nepal Gazette and setting prescribed criteria, declare any area having industrial potential as:

- **Industrial Village**
- **Industrial Cluster**
- **Industrial Zone**
- **Industrial Zone**
- **Special Economic Zone**
- **Industrial Corridor**

Industries operating in such declared areas shall receive the services, facilities, and concessions available under this Act and prevailing laws.

SECTION 56:
PROHIBITION ON MAKING BUILDING OR SETTLEMENT.

Compensation

No residential building, other types of buildings, or settlements shall be constructed within the specified area and distance of an industrial village, industrial zone, or special economic zone established after commencement of this Act.

The Government of Nepal shall provide **reasonable compensation** to any person suffering loss or damage due to restrictions on construction of buildings or settlements on private land within such specified areas.

SECTION 57:
USE OF ELECTRONIC MEANS.

Electronic Means

The industry registration body may establish necessary arrangements to **perform industry administration-related functions through electronic means.**

Such electronic procedures shall be conducted in accordance with prevailing laws relating to electronic transactions to make industry administration simple and efficient.

SECTION 58:
AUTOMATIC APPROVAL PROCESS.

Automatic Approval

The Government of Nepal may implement an automatic approval system for industry administration-related procedures, including:

- Registration of industries
- Services up to dissolution of industries
- Types and nature of industries
- Investment thresholds

The objective is to make industry administration procedures simple, easy, and predictable.

Other procedures relating to automatic approval shall be as prescribed.

SECTION 59:
POWER OF ATTORNEY MAY BE GIVEN.

* An industry or a person having ownership of an industry may **authorize another person through a power of attorney** to perform any or all acts and actions required to be carried out by such industry or owner.
* The power of attorney given for performing acts under this Section must be:
  - **Notarized**, and
  - Submitted to the industry registration body.
* The industry registration body may, if considered necessary, **inspect the original power of attorney.**

OVERVIEW OF SECTIONS 61-69: INDUSTRIAL ENTERPRISES ACT

Section 61: Power of Local Level to Perform Functions Relating to Administration of Industries

Local Level

Registration, Administration, and Regulation

The Local Level may perform functions relating to:

Registration | Administration | Regulation | Micro-enterprises | Cottage and small industries

This power applies to industries having fixed capital not exceedimg the amount specified under Provincial law and shall be exercised in accordance with Federal and Provincial laws.

62: Application May Be Made

If any decision or function required under this Act is not made or performed within the specified period, an aggrieved party may submit an application to the Ministry.

aggrieved party → Ministry

This provision does not apply to matters falling under the jurisdiction of:

Board, Province, or Local Level

63: Delegation of Powers

The Board may delegate some of its powers under this Act or Rules to:

Board →
- Secretary of the Ministry
- Director General of the Department
- Gazetted officers of the Government of Nepal
- Provincial Government employees

Department → any gazetted officer employee of the Government of Nepal

Local Level employees

64: Power to Remove Difficulties

Nepal Gazette

If any difficulty or obstacle arises during implementation of this Act, the Government of Nepal may remove such difficulty or obstacle by publishing a notice in the Nepal Gazette.

65: Power to Make Alteration in the Schedule

The Government of Nepal may, through notification in the Nepal Gazette, make necessary:

Schedule
- Alteration
- Addition
- Deletion
- Revision

66: This Act to Prevail

This Act

Matters specifically provided in this Act shall be governed by this Act. Other matters shall be governed by the prevailing laws.

67: Power to Make Rules

The Government of Nepal may frame necessary Rules for the implementation of this Act. The nesmap options.

68: Power to Issue Directives, Procedures, or Standards

- Registration and regulation of industries
- Promotion of domestic production
- Incentives, exemptions, facilities, and concessions
- Sick industries
- Registration and regulation of Startup Enterprises
- Establishment, operation, aod regulation of Enterprise Promotion Lantres (Business Incubation Centras)
- Industrial estates, industrial corridors, industrial clusters, and industrial villages
- Registration and regulation of Startop Enterprises
- Operation and monagement of the Pund
- Use of electronic means for service delivery
- Automatic prosess for investment approval
- Operatien of Nepal Business Forum
- Operation of One-Stop Service Centre
- Carporate Social Responsihility (CSR)

The Ministry may formulate and implement Standard Operating Procedures (SOPs), including procedures relating to service delivery through electronic means.

69. Repeal and Saving

REPEALED

The Industrial Enterprises Act, 2073 (2016) is repealed.

SAVING

All acts and actions performed under the industrial Enterprises Act, 2073 shall be deemed to have been performed under this Act.

Schedules

SCHEDULE-1

INDUSTRIAL ENTERPRISES ACT 2076

(RELATING TO SECTION 8)

INDUSTRIES REQUIRING PERMISSION

Section - 8

1. Industries producing arms, ammunition, gunpowder or explosives,

2. Security printing, banknotes and coin industries,

3. Industries producing cigarettes, bidi, cigar, chewing tobacco and goods utilising tobacco as the basic raw materials and electronic cigarettes,

4. Microbrewery, beer, alcohol, or alcoholic substances producing industries,

5. Stone, ballast, sand excavation, processing industries,

6. Industries producing radio communication equipment,

7. Industries like excavation of precious minerals and petroleum products,

8. Liquefied petroleum gas (L.P.G) refiling industries,

9. All kinds of industries producing drone products or providing services through drones,

10. Other industries requiring permission under the prevalent laws.

SCHEDULE-2:
COTTAGE INDUSTRIES

(Relating to clause (b) of subsection (1) of Section 17)

1. Handloom, pedal-loom, semi-automatic loom, wrapping, dyeing and printing, tailoring (other than readymade garments) and knitting with traditional technology;

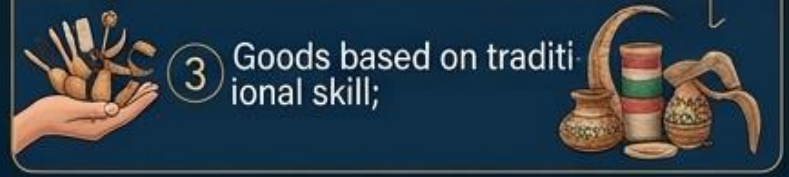

2. Hand knitted woollen and silk mats and blankets (Radi, Pakhi), carpets, pashmina, garments, hand-made paper and goods made thereof;

3. Goods based on traditional skill;

4. Traditional sculpturing;

5. Hand-made utensils made from metals such as copper, Pittal, Dhalout, brass and German silver, and handicrafts;

6. Hand-made utensils and traditional tools of domestic use made from iron such as knifes, Chulesi, Khukuri, sickle, Kuto, Kodalo;

7. Hand-made gold or silver ornaments, goods, utensils (precious, semi-precious, and inclusive of those with ordinary stones);

Section - 17

8. cutting of precious, semi-precious and ordinary stones available in Nepal; rural tanning / hand-made leather goods

9. Industries based on natural fibres such as zute, sabia grass, choya, bamboo (babiyo), cotton thread, allo and other natural-fibre based industries

10. Stone arts (stone carved goods);

11. Paubha, thanka art and other traditional .....chitrakala;

12. Masks and putali and dolls reflecting traditional culture;

13. Different kinds of handicraft goods reflecting traditional culture, musical instruments and art;

14. Wood, bone and horn, clay , rock, and mineral artistic goods, ceramics and clay pots;

15. Hand printed brick industries.

SCHEDULE-3

(Relating to clause (a) of subsection (2) of Section 17)

Energy-Based Industries

1. Industries generating energy from water resources, wind, solar power, coal, natural oil and fuel or gas, biomass or other sources, industries manufacturing machines/equipment to be used for the generation of such energy;

2. Electricity transmission lines;

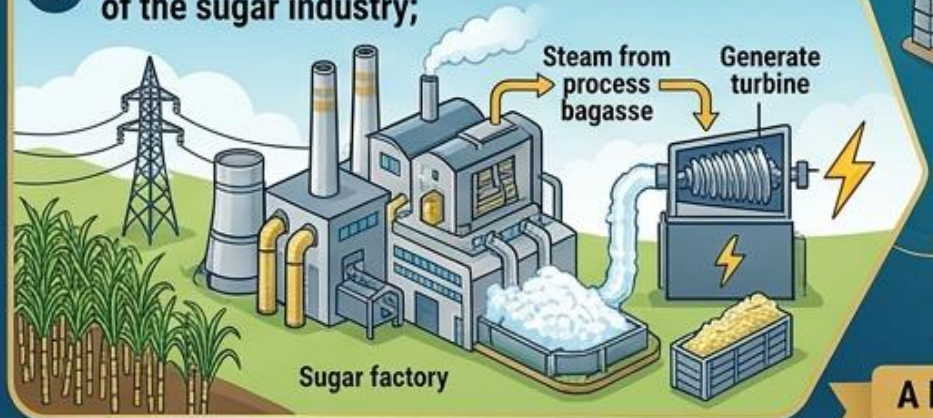

3. Electricity distribution system;

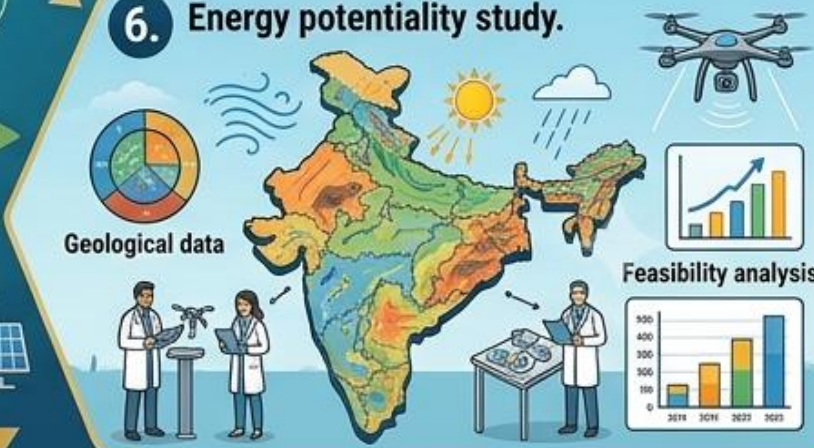

4. Energy based on bio-gas;

5. Electric energy to be produced as a co-production of the sugar industry;

6. Energy potentiality study.

Section - 17

A Detailed Guide to Energy Industry Classifications

Schedule-4: Industries Based on Agriculture and Forest Products

Section - 17

(Relating to clause (c) of subsection (2) of Section 17)

1. Fruits farming or fruits processing;
2. Production, processing and storage of food products;
3. Animal husbandry, birds farming (including ostrich), animal breeding, challa kadne business, and production and processing of meat;
4. Industries producing milk and processing of dairy products;
5. Fishery, production, processing and packaging of fry;
6. Industries producing animal feed from agro-products as the primary raw materials;
7. Silk farming and processing;
8. Tea garden, tea processing;
9. Coffee farming and coffee processing;
10. Herbs farming, herbs processing;
11. Production of vegetable seeds;
12. Vegetable farming, vegetable processing;
13. Establishment and operation of green-houses;
14. Bee keeping (bee breeding, honey production and processing;
15. Floriculture, flower processing (making of garland, decoration, making bouquet, including production of seeds);
16. Nursery business, establishment, protection and management of botanical gardens, inclusive of tissue culture;
17. Rubber farming, preliminary processing and operation of rubber;
18. Operation and management of cold stores, agriculture markets;
19. Establishment and management of a community, leasehold, partnership, private forest and agriculture forest, and other non-timber forest products;
20. Commercial farming and processing of cash crops...
21. Bet, bamboo farming, bet, bamboo and other natural fibre products;
22. Processing of seeds;
23. Wood industries including shaw-mills and furniture;
24. Wood industries such as parqueting, seasoning, treatment plant, ply wood, composite, board;
25. Industries based on other non-timber forest products including paper and resin;
26. Industries producing mushroom, tissue culture (producing plants through new technology), agroforest;
27. Cotton farming, production and processing of cotton and cotton seeds.
28. Agricultural Technology and Mechanization

SCHEDULE-5

(Relating to clause (e) of subsection 2 of Section 17)

Section - 17

INFRASTRUCTURE INDUSTRIES

TRANSPORTATION

1. Road, bridge, tunnel
2. Ropeway, railway, tram, trolley bus, monorail and sliding car
3. Runway/airport

UTILITIES & SERVICES

6. Water supply and distribution
7. Irrigation infrastructure
13. Polluted water purification industries **(waste water treatment plant)**
14. Telephone tower, optical fibre network, satellite, satellite broadcasting centre

BUILDINGS & COMPLEXES

4. Industrial structure and infrastructure complex
5. Assembly conference centre
8. Sports complex, stadium
9. Motor vehicle parking, parking house
15. Housing and residential building

BUSINESS & ZONE DEVELOPMENTS

10. Export processing zone
11. Special economic zone
12. Cargo complex
16. Building film city, building film studio
17. Business complex
18. Private warehouse

19. Construction, management and operation infrastructure for installation of pipelines for fuel and gas supply
20. Construction, management and operation infrastructure for energy house and energy transmission line

No change in text as per user request

SCHEDULE-6

Section - 17

(Relating to clause (f) of subsection (2) of Section 17)

TOURISM INDUSTRIES

1. Tourist housing, motel, hotel, resort, bar and restaurant;

2. Travel agency, tour operator, healing centre, casino, massage, spa;

3. Adventurous tourism, trekking, skiing, paragliding, water rafting, hot air ballooning, cannoning, parasailing, horse riding, elephant riding, bungee jumping, expedition, zip flyer, ultra light, sky walking, sky diving, and similar other adventurous games;

4. Cable car construction and operation industries;

5. Golf course, polo, pony trekking, trekking, cycling;

6. Rural tourism, home stay and ecological tourism, agricultural tourism;

7. Cultural, religious, assembly, conference and sports tourism;

8. Fun park, water park;

9. Wildlife reserve;

10. Museum.

11. Cruise Services, Water Recreation and Boating

Section - 17

SCHEDULE-7

(Relating to clause (g) of subsection (2) of Section 17)

INDUSTRIES BASED ON INFORMATION TECHNOLOGY, COMMUNICATION TECHNOLOGY AND INFORMATION DISSEMNATION TECHNOLOGY

PART (A)

INFORMATIONAL TECHNOLOGY INDUSTRIES:

(1) Technology park;
(2) IT park;
(3) Biotech park;
(4) Software development;
(5) Computer and related services;
(6) Data processing;
(7) Cyber café;
(8) Digital mapping;
(9) Business process outsourcing (B.P.O), knowledge process outsourcing (K.P.O);
(10) Data centre, data mining, cloud computing;
(11) Digital signature certifying agency;
(12) Web portal, web designing service, web hosting, online classified advertising service.

PART (B)

Government of Nepal

Schedule-10 (Relating to clause (c) of sub-section (2) of section 24)

Classification of Districts on the Basis of Industrial Development

(a) Least Developed Area

1. Darchula
2. Baitadi
3. Bajhang
4. Bajura
5. Achham
6. Doti
7. Mugu
8. Dolpa
9. Humla
10. Jumla
11. Kalikot
12. Jajarkot
13. Rolpa
14. East Rukum
15. West Rukum
16. Mustang
17. Manang
18. Solukhumbu
19. Khotang
20. Okhaldhunga
21. Taplejung
22. Bhojpur
23. Panchthar

(b) Undeveloped Area

1. Dadeldhura
2. Pyuthan
3. Myagdi
4. Dailekh
5. Parbat
6. Lamjung
7. Salyan
8. Gulmi
9. Baglung
10. Gorkha
11. Dolakha
12. Ramechhap
13. Sindhuli
14. Sindhupalchok
15. Rasuwa
16. Dhankuta
17. Sankhuwasabha
18. Terhathum

(c) Less Developed Area

1. Kanchanpur
2. Kailali
3. Bardiya
4. Dang
5. Surkhet
6. Palpa
7. Arghakhanchi
8. Syangja
9. Kapilvastu
10. Tanahun
11. Nuwakot
12. Dhading
13. Kavrepalanchok
14. Rautahat
15. Sarlahi
16. Mahottari
17. Siraha
18. Saptari
19. Udayapur
20. Ilam

Thank You!
